

St. Joseph's School Directory

Dear St. Joseph's Families:

The St. Joseph's Home & School Association will publish a school directory again this year. Directories and individual class lists are not given out for solicitation purposes. If you do not wish to be included in the Directory, please fill out the form and check the appropriate line below. We will use the family and address information currently on record with the school unless you fill out the form and return it to the school office by September 3, 2009. You may also use this form to clarify special circumstances or to add additional information such as a second phone line. If the information you have already provided to the school is adequate, you do not need to return this form.

RETURN TO: St Joseph's School Office by SEPTEMBER 3rd.
