St. Joseph's School
Enrollment Planning Worksheet

please print legibly

Enrollment is the most vital statistic used by the School Board in making long range strategic decisions. Projections for the next five years will affect tuition, staffing, salaries, facilities management and other important aspects of the school's operations. Please help us identify your interest and/or plans to enroll your child(ren) in these programs over the next five years. Your feedback on this form is very important and much appreciated.

Please understand that this is only a request for information that we can use for planning purposes. It does not represent a commitment on your part nor does it serve as a registration agreement.
