Lunch Bunch is open to all enrolled preschoolers on their preschool days. Students must register for the school year, or for the rest of the year once enrolled. Once all slots are filled, a waiting list will be established and parents will be notified as openings occur. If space is available, families can add Lunch Bunch to their program at any point in the year for a small administrative fee. Withdrawal from the Lunch Bunch program requires one month notice in writing and the full fee is due through this notification period.

Please register on your annual Registration Form. Note: those families interested in Preschool Plus Afternoon Care do NOT register separately for Lunch Bunch because it is already included. For more information, please call Annie Broos at 651-789-8300.
