

# St. Joseph's School Summer Programs 2024

## Summer Camps

### US History Camp with Mr. Cina

Join Mr. Cina to learn interesting history information with a different focus on a period of United States history each day. This camp is designed for students entering grades 5, 6, 7 & 8.

June 24-27th 9am-10am

Cost: \$60 per student

### Handlettering & Modern Calligraphy with Ms. Erickson

Ms. Erickson loves fancy lettering and creative calligraphy! Come learn a new skill that can be used for so many fun projects! This camp is designed for students entering grades 5, 6, 7 & 8.

June 24-27th 9am-11am

Cost: \$75 per student

### Historical Board Game Camp with Mr. Cina

Students will learn a historical game each day. Example games include Risk, Axis & Allies, Civil War Miniature Battle and B-17. Skills practiced: Include mathematics, non-fiction reading, strategy and problem solving. This camp is designed for students entering grades 5, 6, 7 & 8.

June 24-27th 10am-12pm

Cost: \$65 per student

### Etiquette 101 with Ms. Erickson

Learn how to set a formal table, family dinner table, and host a tea party! A good hostess creates a welcoming environment, demonstrates good manners, and facilitates friendly conversation. This camp is designed for students entering grades 3, 4, 5 & 6.

July 8-11th 9am-11pm

Cost: \$75 per student

### Dungeons and Dragons Role Playing Game Camp with Mr. Cina

Learn to play the Role Playing Game (RPG) Dungeons and Dragons. In D&D, players must work together as a team to accomplish a common goal. D&D is a game of imagination, and it requires players to think outside the box to solve problems. Team diversity creates strength. They will also work and learn about Goal-Setting, Risk-Taking, Flexibility and Empathy. This camp is designed for students entering grades 5, 6, 7 & 8. Two Sessions are available.

July 8-11th 9am-12pm

July 22-25th 9am-12pm

Cost: \$110 per student per session

### Cooking Camp with Mrs. Lamusga & Mrs. Bollinger

Join us for a 4 day session to learn how to cook some favorite recipes and learn cooking safety. This camp is designed for students entering grades 5, 6, 7 & 8.

July 22-25th 9am-12pm

Cost: \$120 per student

## **Sewing Camp with Mrs. Diedrick Machine & Hand Sewing**

Use sewing machines and hand sewing to create items for yourself or friends. We will learn basic sewing and repair as well as use a pattern to create some clothing or practical item. We will create as many as we can! This camp is designed for students entering grades 5, 6, 7 & 8.

June 24-27th 9am-12pm  
Cost: \$120 per student

## **Paris in the Spring with Mrs. Taplin**

Bonjour! We will immerse ourselves in French language and art. We'll study the marvels of Paris, including the Eiffel Tower, The Louvre, and Notre Dame. We will learn about courage and faithfulness from St. Jeanne D'Arc. We look at and recreate the art of Monet, Renoir, and others. We'll enjoy a bit of French cuisine and sing some french songs. This camp is designed for students entering grades 2, 3 & 4.

June 24-27th 9:30am-10:30am  
Cost: \$60 per student

## **Lego Robotics with Mrs. Wilcox**

We will use Lego robotics to teach us how to implement math, science, technology, and communication through programming, engineering, and teamwork. Many of the math, science, and communication standards will be put to use as we work together to solve a problem. This camp is designed for students entering grades 5, 6, 7 & 8. Four different sessions available.

June 24-27th 8:30-10:30am  
July 8-11th 8:30-10:30am  
July 22-25th 8:30-10:30am  
July 29- Aug. 1st 8:30-10:30am  
Cost: \$100 per student per session

## **STEM Camp with Mrs. Durham & Mrs. Colwell**

Calling all incoming 4th and 5th grade future engineers, this camp is just for you! As demands for scientists, engineers, and mathematicians continue to build, people are looking for enrichment opportunities. Here it is! Creative explorations in science, engineering, technology, and mathematics with indoor and outdoor hands-on activities. If you are looking for a chance to create, build, and experiment, STEM Camp is for you. Two sessions available.

June 24-27th 8am-10am  
June 24-27th 10am-12pm  
Cost: \$110 per student per session

## **Lego Design & Build Mrs. Durham & Mrs. Colwell**

Calling all incoming 3rd & 4th graders. Do you love exploring with LEGOS? Then this is the camp for you! Throughout this camp, we will complete a variety of surprise and unique LEGO challenges. Some challenges will be quick and simple but others will take planning skills, imagination, problem solving and time. There will be individual challenges and group challenges. There will be plenty of fun too! Two sessions available.

July 15-18th 8am-10am  
July 15-18th 10am-12pm  
Cost: \$100 per student per session

## **Prayer & Service Club Kick-Off with Mrs. Durham & Mrs. Colwell**

Be the hands and feet of Christ through prayer, service, building friendships and fun. Watch as we put our faith in action and be the light of Christ while learning about our Catholic faith, singing, playing games, attending Assumption of Mary Holy Day Mass, participating in a service project, and much more. Open to all incoming 4th - 6th grade students. Offered: Thursday, August 15th 7:30 am (Beginning with Mass) - 11:30 am (limit 30) Times may be slightly adjusted depending on Mass time

August 15  
Cost: \$50 per student per session
